Advanced Political Training School for Young Eco-Activists

TREVIGNANO ROMANO | SEPTEMBER 5–7, 2025

LOGISTICAL INFORMATION

The Festival will take place from September 5 to 7 at the recreational center “L’isola che non c’è” located at Via della Rena No. 99, 00069 Trevignano Romano, Province of Rome.

The Gea School seeks to value the passion and commitment of activists regardless of their financial means. **For this reason, training sessions, meals, and camping accommodation from Friday to Sunday will be provided free of charge for all participants.**

You can reach the Festival:

- **By train**, arriving at Roma Ostiense station and then taking a direct regional train to Bracciano (approximately a one-hour ride). If arriving at Roma Termini station, the trip takes about an hour and forty minutes and requires a transfer. From Bracciano station, free shuttles will be available to take you directly to the campsite.
- **By car**, preferably carpooling with other participants, setting the destination as “L’isola che non c’è” recreational center at Via della Rena No. 99, 00069 Trevignano Romano.

Each participant must bring **their own camping gear** (tent, extension cords, and anything else necessary). The campsite will provide access to bathrooms and electricity.

As indicated in the program (insert link to program PDF), the Festival **will begin at 3:00 PM on Friday, September 5**. You may arrive at the campsite starting early Friday morning to set up your tent. If you need to arrive on Thursday evening, you can contact the campsite directly.

Activities will end on Sunday, September 7, at 1:30 PM. Lunch will not be provided on Sunday. Shuttles will also be available for the return trip to Bracciano station.

Due to the limited number of tents the campsite can accommodate and the pedagogical approach used by the School, participation in the training is limited. We encourage you **to fill out the application form** as soon as possible to not miss this unique opportunity!

***N.B.:** When filling out the form, don't forget to mention any dietary requirements. All food provided during the Festival will be entirely plant-based.*
